ORDINANCE NO. 2007-03 A

**ORDINANCE REVISING THE TERM FOR COUNTY COMMISSIONER,
SECOND DISTRICT**

WHEREAS, the term of office for the position of County Commissioner, Second District, at present is a "holdover" term in that the elected Commissioner does not take office on January 1 of the year following his election, but rather takes office on January 1 of the second year following election, and,

WHEREAS, the need for a holdover term of office is no longer necessary:

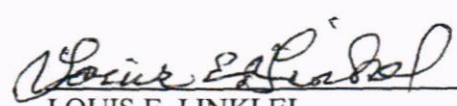

BE IT NOW ORDAINED by the Board of County Commissioners of Franklin County, Indiana that the office of County Commissioner, Second District shall be on the ballot for the General Election of 2010 for a three (3) year term commencing January 1, 2012 for the years 2012, 2013 & 2014.

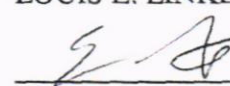

BE IT FURTHER ORDAINED, that the office of County Commissioner, Second District, shall be on the ballot for the General Election of 2014, and the elected Commissioner shall take office following the General Election of 2014 on January 1, 2015, and such elected office shall be for a term of four (4) years, and the election of County Commissioner, Second District, shall thereafter be every four (4) years, with terms of office for four (4) years.

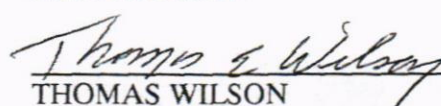

BE IT FURTHER ORDAINED, that the Franklin County Clerk and the Franklin County Election Board shall implement the foregoing.

ORDAINED and ADOPTED this 5th day of February, 2007.

RECORDED AS PRESENTED

2007 SALARY ORDINANCE #2007-03 B

An ordinance fixing the salaries and wages for the officials and employees for various departments of the County of Franklin, Indiana for the calendar year 2007.

BE IT ORDAINED BY THE COUNCIL OF FRANKLIN COUNTY, INDIANA:

SECTION 1

The salaries and wages of the officials and employees for the various departments of the County of Franklin, Indiana, for the year 2007, shall be as follows:

90% (ninety percent) salary for 90 (ninety) days of full time employment. After 90 (ninety) days, employee receives 100% (one hundred percent) pay. Part-time employees moving to full time will be credited for hours of time worked against average number of hours to be worked full time in the 90 (ninety) day period for the position; no additional probationary time shall be required.

All part-time rates **up to** the stated hourly rate.

For Franklin County Sheriff personnel policies see attached exhibit A and for all Franklin County Department, see Franklin County Indiana Personnel Policies Handbook revised February 4, 2002.

For Franklin County E-911/Communication dispatchers - employees shall receive overtime pay for overtime worked but have the option of comp-time in lieu of overtime pay if requested in advanced. Moreover the overtime pay shall be paid from the E-911 fund (Section 248) and the appropriations shall be transferred from part time help to comp/overtime.

SECTION 2

This ordinance hereby amends the previous ordinance by the inclusion of personnel in section 100 dept. 101, 102, 105, 129, 130, 132, 145; dept. 201, 203, 241, 289, & 316

FRANKLIN COUNTY COUNCIL ORDINANCE NO. 2007-05

**AN ORDINANCE ESTABLISHING AN ENHANCED EMERGENCY
TELEPHONE SYSTEM FEE FOR FRANKLIN COUNTY, INDIANA**

WHEREAS, I.C. 36-8-16 recognizes the counties may establish enhanced emergency telephone systems utilizing the three-digit number 9-1-1 to send automatic number identification and automatic location identification for reporting emergency situations; and

WHEREAS, I.C. 36-8-16.5 authorizes counties, through their fiscal bodies, to impose on all users of exchange telephone service in their jurisdictions, a uniform monthly fee which may be used for the installation and operation of an enhanced emergency telephone system; and

WHEREAS, The Franklin County Council hereby finds that the establishment and funding of an enhanced emergency would be in the best interest of the residents of Franklin County;

NOW THEREFORE, BE ORDAINED by the County Council of Franklin County, Indiana, that under the authority of and subject to Indiana Code 36-8-16, and emergency telephone system fee is hereby established to provide for the funding of an enhanced emergency telephone system to serve Franklin County. This fee shall be collected from the telephone service users of Franklin County and administered in accordance with the following terms:

Section 1: A monthly fee of \$2.40 per telephone access line or other exchange access facility will be collected by the service supplier to pay the lease, purchase, or maintenance of enhanced emergency telephone equipment, including necessary computer hardware, software and data base provisioning; and the rates associated with the service suppliers enhanced emergency telephone system network services.

Section 2: The service supplier(s) shall be entitled to retain an administrative fee of three (3%) percent of the monthly fee collected as compensation for collecting the fees.

Section 3: All monthly fees collected, except for the three (3%) percent administration fee shall be remitted to the County Treasurer of Franklin County within ten (10) days after the last day of the calendar year quarter. With the fee remittal, the service supplier shall provide a fee collection report on a form provided by the County Treasurer.

Section 4: The County Auditor shall deposit the remitted fees in a separate fund named the "Franklin County Emergency Telephone System Fund". The County Treasurer may invest monies in the fund in the same manner that other monies of the county are invested with the interest earned from such investment to be deposited in that fund.

Section 5: During January of each year, each service supplier that collects the enhanced emergency telephone system fee for the county shall provide a delinquent fee report to the County Treasurer. The report shall list the name, address, and amount due for each service user who is two (2) months delinquent in paying the fee.

Section 6: Each supplier shall commence collecting the enhanced emergency telephone system fee from its service users in the month of May 1, 2007.

Section 7: This ordinance shall be in full force and effect on the 1st day of the second month after its passage.

ORDINANCE NO. 2007-22

**AN ORDINANCE CONSENTING TO THE EXTENSION OF RIPLEY CO
ENHANCED 911 EMERGENCY TELEPHONE SYSTEM WITH FRANKLIN CO
REPLACES ORDINANCE NO. 1993-07**

WHEREAS, Ripley County has implemented Enhanced 911 Emergency Telephone System for the residents of Ripley County; and

WHEREAS, Batesville, Indiana has corporate boundaries which extend into Ripley County and also into Franklin County, Indiana; and

WHEREAS, the entire corporate boundary of the city of Batesville is served by police, fire and emergency service from the city of Batesville; and

WHEREAS, the residents of the city of Batesville in Franklin County, Indiana would benefit from being included in the Enhanced 911 Emergency Telephone System now being implemented by Ripley County, Indiana for Ripley County residents; and

WHEREAS, after a study, The Board of County Commissioners of Franklin County, Indiana have determined that it would be in the best interests of certain residents of Franklin County, Indiana that they be serviced by Ripley County Enhanced 911 Emergency Telephone System, those persons being persons with telephone exchange numbers 934, 933, 932, 623 and 852.

WHEREAS, Franklin County will submit payment at a rate of \$1,200.00 per month to Ripley County Enhanced 911 Emergency Telephone System, for providing service for the above mentioned exchanges, as previously agreed.

**NOW THEREFORE, BE IT ORDAINED BY THE COUNTY COUNCIL
OF THE COUNTY OF FRANKLIN, STATE OF INDIANA:**

Section 1. That Ripley County, Indiana is given permission to extend its Enhanced 91 Emergency Telephone System service area into Franklin County, Indiana to service the residents within the corporation limits of the City of Batesville.

Section 2. That Ripley County, Indiana is given permission to extend its Enhanced 911 Emergency Telephone System service area into Franklin County, Indiana to service Franklin County residents with a 934, 933, 932, 623 and 852 exchange.

Section 3. That as the city of Batesville corporation limits extend from time to time further into Franklin County, the Ripley County Enhanced 911 Emergency Telephone System service area shall also likewise be extended to the new corporation boundaries of the city of Batesville in Franklin County, Indiana.

Section 4. That Franklin County, Indiana pay all non-recurring charges for Master Street Address Guide (MSAG) and data base.

Section 5. That Franklin County officials will be responsible for (a) mailing to Franklin County residents explaining the details of the transfer to Ripley County, including the name and number of the person to contact if there is a question as to addressing; (b) mailing to Franklin County residents an optional information card in conformity with the requirements of Ripley County Enhanced Emergency 911 System; (c) Franklin County shall be responsible for the cost of printing, stuffing envelopes and mailing; (d) for providing original MSAG (s) and/or any future changes in MSAG (s).

Section 6. That all law enforcement calls will be transferred via the Ripley Emergency 911 System to Franklin County Sheriff's Department. That Franklin County Sheriff will provide a special phone number at Brookville for transferred calls. That the line may not be used for any other purpose, the intent being that said line will always be available for transfer of calls.

That Franklin County and Ripley County will, prior to cutover, mutually agree upon a written protocol for answering and disposing of emergency calls from Franklin County residents that will be transferred to Franklin County Sheriff's Department.

Section 7. That the provisions of this Ordinance be incorporated into a formal intercounty Agreement, which in addition to the provisions provided in this Ordinance, shall provide for either county terminating the Agreement upon reasonable notice.

This Ordinance shall take effect upon publication.

This Ordinance is adopted this 11 day of DEC, 2007.

FRANKLIN COUNTY BOARD OF COMMISSIONERS
ORDINANCE NO. 2007-24

AN ORDINANCE ESTABLISHING CLASSIFICATIONS OF TRANSPORTATION
EMERGENCIES; REGULATING THE OPERATION AND PARKING OF
MOTOR VEHICLES DURING TRANSPORTATION EMERGENCIES; ACTIONS
REQUIRED OF UTILITY COMPANIES TO REMOVE DAMAGED UTILITY
SYSTEM COMPONENTS FROM ROADWAY; AND ESTABLISHMENT OF FINES/
PENALTIES FOR VIOLATION OF THIS ORDINANCE

BE IT NOW ORDAINED by the Board of County Commissioners of Franklin County,
Indiana:

Section 1: Short Title

This Ordinance shall be known and maybe cited as the "Transportation Emergency Ordinance of Franklin County, Indiana".

Section 2: Intent of Ordinance

This Ordinance is intended to provide a means of alerting residents and others within the County of poor driving conditions, and what is expected of them regarding their driving and or parking on roadways within the County while such conditions exist.

Section 3: Definitions

For the purpose of this Ordinance, the following definitions shall apply unless the context clearly indicates or requires a different meaning:

- A. "Commissioners": The Board of Commissioners of Franklin County, Indiana.
- B. "Roadway": The entire width between the boundary lines of the rights of way of every county maintained roadway when any part thereof is open to the use of the public for purposes of vehicular travel in the unincorporated areas of Franklin County, Indiana.
- C. "Snow Emergency": A transportation emergency caused by winter weather conditions including ice, freezing rain, sleet, snow, blowing and drifting snow and/or blizzards; a condition declared to be such by the Board of Commissioners of Franklin County, Indiana or their authorized representative. Snow Emergencies include the following levels:
 - (1) Level 1: The public is notified that county roadways are hazardous with blowing and drifting snow, and increasing accumulation; ice maybe forming. Drivers are to allow extra time for travel and emergency response, and should contact employers to determine if they should report to work or if there is a delay. Drivers shall drive at reduced speeds with caution. Increased travel and emergency response times should be expected.

- (2) Level 2: Drivers are warned that all county roadways are closing or will be closed to non-emergency personnel. No one should attempt travel during these conditions unless it is absolutely necessary. All employers should consider work cancellation, and employees should contact their employers to see if they should report to work or if a delay is in effect. The public shall be advised that weather conditions are deteriorating rapidly, and it is likely that a Level 4 proclamation will be issued.
- (3) Level 3: Drivers are notified that all or certain county roadways are closed to non-emergency personnel. A proclamation of emergency has been declared in accordance with I.C. 10-4-1-23, which provides that: "a local disaster emergency maybe declared only by the principal executive officer of a political subdivision. It shall not be continued or renewed for a period in excess of seven (7) days except by with consent of the Governing Board of the Political Subdivision. Any order or proclamation of declaring continuing or terminating a local disaster emergency shall be given prompt and general publicity and shall be filed promptly in the office of the Clerk of the political subdivision".

D. "Transportation Emergency": An actual or impending situation which presents hazardous conditions for the normal use of roadways caused by or resulting from accumulation of ice, freezing rain, sleet, snow, blowing and drifting snow, blizzards, flooding or high water, wind-caused damage, roadway damage or other hazardous event, a condition declared to be such by the Board of Commissioners of Franklin County, Indiana or their authorized representative to regulate the operation and/or parking of motor vehicles during such emergencies.

E. "Transportation Warning": An advisory communication issued to warn motor vehicle operators of conditions which present a hazard to normal operation of motor vehicles on roadways. A transportation warning maybe issued for a hazardous event which effects the normal use of roadways as determined by the Franklin County Sheriff, the Franklin County Highway Superintendent and/or the Franklin County Emergency Management Director, but does not impose any restriction on travel or parking of motor vehicles, other than those normally required by Law.

Section 4: Transportation Warning

Whenever the Franklin County Sheriff, the Franklin County Highway Department Superintendent, or the Franklin County Emergency Management Director, or their respective designees find, on the basis of existing conditions of ice, freezing rain, sleet, snow, blowing and drifting snow, high water or damage debris on roadways or other conditions which may present hazardous situations to the normal operation of motor vehicles on roadways, and that operators of motor vehicles need to be aware of said conditions to maintain safe operation of their motor vehicles, then the Sheriff, Superintendent, or EMA Director or their respective designees, on consultation and agreement among themselves, may cause to be issued a Transportation Warning for parts of or all roadways within the County as determined necessary. Transportation Warnings may be issued for hazardous conditions which do no warrant an immediate emergency declaration by the Commissioners.

A. The Sheriff, Superintendent, or EMA Director shall cause each warning issued by them pursuant to this ordinance to be publicly announced by means of broadcasts from radio stations located within and with a normal operating range covering Franklin County, Indiana. They may cause the warning to be further announced in newspapers of general circulation when feasible. Each warning shall describe the situation threatening motor vehicle operation on roadways, the time the warning will become effective and shall specify the roadways or area affected.

B. Whenever the Sheriff, Superintendent or EMA Director or their designees find that some or all of the conditions which give rise to a Transportation Warning being issued no longer exist, they may terminate the warning, in whole or in part. Such termination shall be announced in the same manner required to issue the original warning and shall become effective upon announcement.

C. No unusual restriction or prohibition on the parking of motor vehicles or on the operation of motor vehicles upon roadways shall be imposed or implied under a transportation warning.

D. A Transportation or Snow Emergency declared by the Commissioner's pursuant to this Ordinance will supercede a Transportation Warning issued for the same causative event and same roadways or area.

Section 5: Prohibition of Parking on Roadways

Whenever the Commissioners declare any transportation or snow emergency or invoke any transportation or snow emergency classification described in this Ordinance or otherwise determine that existing or expected weather conditions or other hazardous situations will make it necessary that motor vehicle traffic be expedited or prohibited and that parking on county roadways be prohibited or restricted for snow plowing, debris removal, access for emergency vehicles, evacuation or other emergency purposes, the Commissioners shall put into effect a parking prohibition on parts of or all roadways as necessary by declaring a transportation or snow emergency. The parking prohibition shall become effective concurrently with the transportation or snow emergency declaration.

Once in effect a prohibition under this Section shall remain in effect until the transportation or snow emergency is terminated by the Commissioners. While the prohibition is in effect, no person shall park or allow to remain parked any vehicle on any portion of a roadway to which the transportation or snow emergency applies. Nothing in this Section shall be construed to permit parking at any time or place where it is forbidden by any other provision of law.

Section 6: Stalled Vehicles during Transportation or Snow Emergency

Whenever a vehicle becomes stalled for any reason on any part of a roadway on which a transportation or snow emergency or parking prohibition is in effect, the person operating the vehicle shall take immediate action to have the vehicle towed, removed, or pushed off the roadway. No person shall abandon or leave his or her vehicle in the roadway except for the purpose of securing assistance during the actual time necessary to telephone or go to a place of assistance (garage, gasoline station, etc.) and return without delay.

Section 7: Removal, Impounding and Return of Vehicles

A. Employees of the Franklin County Sheriff's Department and Franklin County Highway Department are authorized to remove or have removed a vehicle from a roadway to the nearest garage or other place of safety, including another place on a roadway, or to a garage designated or maintained by the Sheriff's Department, Highway Department or facility maintained by Franklin County, when;

- (1) The vehicle is parked on a part of a roadway on which a transportation or snow emergency or parking prohibition is in effect;
- (2) The vehicle is stalled on a part of a roadway on which there is a transportation or snow emergency in effect and the person who was operating the vehicle does not appear to be removing it in accordance with the provisions of this Ordinance and the vehicle presents a hazard to traffic flow, snow or debris removal or other emergency operations; or
- (3) The vehicle is parked in violation of any parking ordinance or provisions of law and is interfering or about to interfere with snow or debris removal or any other emergency operations.

B. Whenever the Sheriff's Department or Highway Department removes or has removed a vehicle from a roadway as authorized in this Section and the Sheriff's Department or Highway Department knows or is able to ascertain from the registration records in the vehicle the name and address of the owner thereof, the Sheriff's Department or Highway Department shall immediately attempt to give or cause to be given notice in writing to the owner of the fact of the removal and the reasons therefore and of the place to which the vehicle has been removed. In the event any vehicle is stored in a public garage, a copy of the notice shall be given to the proprietor of the garage.

C. Whenever the Sheriff's Department or Highway Department removes or has removed a vehicle from a roadway under this Ordinance and does not know and is not able to ascertain the name of the owner, or for any other reason is unable to give the notice to the owner as hereinbefore provided, and in the event the vehicle is not returned to the owner within a period of three (3) days, the Sheriff's Department or Highway Department shall immediately send or cause to be sent a written report of the removal by mail to the Bureau of Motor Vehicles whose duty it is to register motor vehicles, and shall file a copy of the notice with the proprietor of any public garage in which the vehicle may be stored. The notice shall include a complete description of the vehicle, the date, time and place from which removed, the reason for the removal, and the name of the garage or place where the vehicle is stored.

D. No person shall recover any vehicle removed in accordance with this section except as provided herein. Before the owner or person in charge of the vehicle shall be allowed to recover it from the place where it has been placed or impounded, he shall present to a member of the Franklin County Sheriff's Department or authorized towing service evidence of his or her identity and right to possession of the vehicle, shall sign a receipt for its return and shall pay the cost

of removal plus and costs of storage accrued. Until paid, these charges constitute a lien on the vehicle which may be enforced in conformance with IC 32-8-31-5 or IC 9-9-5-6.

E. It shall be the duty of the Sheriff's Department and/or Highway Department to keep a record of each vehicle removed in accordance with this Section. The record shall include a description of the vehicle, its license number, the date and time of its removal, where it was removed from, its location, the name and address of its owner and last operator, if known, its final disposition, and the parking violation involved. The towing service authorized by the Sheriff's Department and/or the Highway Department will obtain said record for each vehicle removed by the towing service for which a Sheriff's Department Vehicle Tow in card is not provided. The authorized towing service shall provide said records to the Sheriff's Department for each vehicle so removed.

F. To facilitate the removal of abandoned vehicles pursuant to this Ordinance; the Sheriff's Department or Highway Department may enter into towing contracts or agreements for the removal and storage of abandoned vehicles.

G. Neither the owner, lessee, or occupant of the property from which an abandoned vehicle is removed nor the Highway Department, County Commissioners or Sheriff's Department, authorized towing service, or automobile scrap-yard shall be liable for any loss or damage to any vehicle occurring during its removal, storage or disposition. The Franklin County Highway Department nor any employee of the department nor any private contractor engaged by the department shall be held liable for any loss or damage to any vehicle which is parked, stalled or abandoned on a roadway with such damage occurring during snow or debris removal operations.

H. This section shall be supplemental to any others provisions of law granting members of the Sheriff's Department authority to remove vehicles.

Section 8: Citation on Vehicle

Whenever any motor vehicle without a driver is found parked or left in violation of any provision of this Ordinance, and is not removed and impounded as provided for in this Ordinance the officer of the Sheriff's Department finding the vehicle may take its registration number and any other information displayed on the vehicle which may identify its user, and shall conspicuously affix a traffic summons to the vehicle in the manner and pursuant to the same procedures applicable to the issuance of other traffic violations.

Section 9: Evidence with Respect to Vehicle Parked or Left in Violation

In any prosecution with regard to a vehicle parked or left in a place or in a condition in violation of any provision of this Ordinance, prove that the particular vehicle described in the complaint was parked or left in violation, together with proof that the defendant named in the complaint was at the time the registered owner of the vehicle, shall constitute proof that the defendant named in the complaint was at the time the registered owner of the vehicle, shall constitute prima facie evidence that the defendant was the person who parked or left the vehicle of this Ordinance.

Section 10: Action Required from Utility Companies to Remove Damages Utility System Components from Roadway

Whenever employees of the Franklin County Highway Department or Franklin County Sheriff's Department find the property of a utility company, including utility poles, utility structures transmission or distribution wires, guy wires, transformer, regulators, meters or other appurtenances are damaged and are obstructing, interfering or about to interfere with roadway travel, snow or debris removal operations or other emergency operations, they shall cause the appropriate utility company operator to be notified of the obstructing property. The utility company operator is expected to take immediate and necessary action to render such property or components safe and to facilitate removal of such property or components from the roadway as follows:

- A. A knowledgeable employee will be dispatched to each reported site where damaged utility property obstructs roadways in a timely manner.
- B. The employee will take necessary steps to de-energize the affected damaged utility system or otherwise render the damaged system safe for the removal of components with obstruct roadways.
- C. When the affected damaged utility system is de-energized or otherwise rendered safe, the employee or utility operator will report this information to the Franklin County Highway Department and/or the Franklin County Sheriff's Department and will coordinate any further debris clearance procedures as required.

Section 11: Declarations of the Commissioners

The Board of Commissioners of Franklin County, Indiana may declare one (1) of the two transportation or snow emergency classifications as set forth in Section 3 based upon recommendations and situation reports provided by the Franklin County Sheriff, the Franklin County Highway Department Superintendent and/or the Franklin County Emergency Management Agency Director or their respective designees. Once declared, the transportation or snow emergency classification may be up-graded, downgraded, extended or terminated by action of the commissioners.

The Commissioners shall cause each declaration made by them pursuant to this Ordinance to be publicly announced by means of broadcasts from radio and television stations located within and with a normal operating range covering Franklin County, Indiana. They may cause the declaration to be further announced in the newspapers of general circulation when feasible. Each announcement shall describe the action taken by the commissioners, including the time it became or will become effective, and shall specify the roadways or area affected. A transportation emergency shall go into effect when designated.

Section 12: Termination of Transportation Emergency by the Commissioners

Whenever the Commissioners find that some or all of the conditions which give rise to a transportation or snow emergency no longer exist, they may declare the emergency terminated, in

whole or in part, in a manner prescribed by this Ordinance, effective immediately upon announcement.

Section 13: Provisions Temporarily Effective to Take Precedence

Any provision of this Ordinance which becomes effective by declaration of the Commissioners or upon occurrence of certain weather or hazardous conditions shall, while temporarily in effect, take precedence over other provisions of law normally in effect, except that it shall not take precedence over provisions of law relating to traffic accidents, emergency travel of authorized emergency vehicles, or emergency traffic directions by a Law Enforcement Officer.

Section 14: Penalty and Jurisdiction

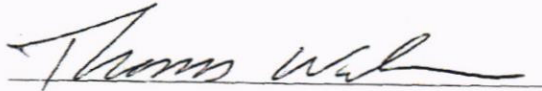

Violations of any of the provisions of this Ordinance shall be punished by a fine of not more than \$500.00, and maybe prosecuted in any Court of competent jurisdiction within the County.

Section 15: Severability

If any section or sub-section, sentence, clause, phrase or portion of this Ordinance is for any reason held invalid or unconstitutional by any Court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision and such holding shall not affect the validity of the remaining portions hereof.

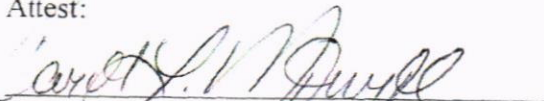

PASSED, ORDAINED and ADOPTED by the Board of County Commissioners of Franklin County, Indiana, in this 31st day of December, 2007.
